

# KLEANER

## POWERFUL DRY GREASE REMOVER FOR PLASTICS

### DEFINITION

Fast-acting dry grease remover for all surfaces. Does not degrade plastics.

### ADVANTAGES

Cleans and evaporates quickly and completely.  
Powerful spray; aerosol is equipped with a special nozzle.  
Contains no chlorinated solvent; contains no solvent that is toxic to humans or to the environment.  
Specially adapted for cleaning parts before bonding and painting, as well as cleaning printed circuit boards.  
Can be used on most plastics and fragile materials.  
Leaves a pleasant fragrance.

KLEANER removes oil from all surfaces, dissolves greasy residue and removes harmful impurities easily thanks to its formula and its powerful jet.  
KLEANER was specially formulated to replace TRICHTHLORETHANE 111.

### APPLICATION FIELDS

#### Cleaning

- metal surfaces: mechanical parts, locks, engines, etc.
- synthetic surfaces: plastics (a preliminary test is recommended given the large variety of polymers).
- electrical and electronic devices, printed circuit boards, relays, micro-contacts (disconnected from power source).
- various mechanisms and piping where a clean and dry surface is essential.
- surfaces before applying inks, paints, glues, seams and crack detectors.

### TECHNICAL CHARACTERISTICS

Aspect .....	transparent liquid
Odour .....	green apple
Colour .....	colourless
Density (ASTM D4052) .....	0.720
Evaporation rate (ether = 1) .....	5
Kauri-Butanol Index .....	33

**Manufacturing site and registered office - 1/2 -**  
Parc Industriel de la Plaine de l'Ain  
5, allée des Cèdres - 01150 Saint-Vulbas - France

The information contained here can on no account be a substitute for the preliminary tests which are essential and which must be carried out in order to check the suitability of the product to each specific case.

## TECHNICAL DATA SHEET

### INSTRUCTIONS FOR USE

---

Spray the product onto the surface and allow to work for a few seconds. If necessary, wipe with a clean cloth. Repeat, if needed, for stubborn dirt or stains.

### PACKAGING

---

650 ml aerosol

Ref. 4503 A4

x 12
